WHAT YOU NEED TO START

- Computer (Windows or Mac)
- Apple iPod Shuffle
- USB cable that came with your iPod Shuffle
- The latest version of iTunes
- Valid Northville library card and PIN
- Free Apple account user name and password

GETTING STARTED

Step 1: Install **OverDrive's desktop app** for Windows or Mac on your computer. You'll need this free app to download audiobooks to your computer and transfer them to your iPod Shuffle.

Step 2: On your computer go to **www.northvillelibrary.org** click on **Download Books, Magazines, Music & More** then click on **Download Destination**.

Step 3: In **Download Destination** sign in with your library card and PIN.

HOW TO BROWSE & BORROW

Step 1: On your computer browse titles OR enter a title or author in search box. Tap **Available Now** in left column to find **ONLY** available titles.

Step 2: When you find a title you want, if the icon  is **black**, it is available to borrow now; if the icon is **grey**, it means you may place a hold.

Step 3: Tap **Borrow**. Tap **Go to Checkouts**.

HOW TO DOWNLOAD YOUR TITLE

Step 1: Plug your iPod Shuffle into your computer. Then, open **OverDrive's desktop app**, select the **downloaded audiobook**, and click **Transfer**. Follow the onscreen prompts to transfer it to your iPod Shuffle.
