DOWNLOAD USING THE LIBBY APP

- For **iOS & Android** devices

- **Download** the **Libby by OverDrive Labs** app from your app store.

- **Libby** will go through a preview first before logging on. Next click on the circle with **Hi** in it. **Hi!**

- Click **Find My Library**: Click on **Search Libraries** and type in **Northville District Library**.

- Click **add it now** to **add your library card**.

- **Search the catalog**: upper left corner

- **Shelf**: Loans, Holds, Tags, and Activity

- Click **Library**: brings you back to Download Destination homepage.

- Click the **Libby** icon: to read your book after it has been downloaded and opened

Note: Any eBooks and audiobooks that you borrow through the OverDrive app (or your library's OverDrive website) will show up in the Libby app.

Libby does not work on Kindle devices at this time.
