MeLCat: Expanded Book Borrowing

MeLCat: Michigan eLibrary Catalog

Search for books available for inter-library loan beyond The Library Network at hundreds of additional libraries throughout the state of Michigan, including numerous academic institutions. Access MeLCat through the Northville District Library's online library catalog featured on the library's website, www.northvillelibrary.org

Online Resources

To access the Northville District Library's online resources go to www.northvillelibrary.org. Click on the menu icon *Online Resources A-Z*. Select a resource by title from the alphabetical list. Enter your Northville District Library card number barcode and begin searching. These online resources are also available on the library's public computers. See list of suggested resources below:

Britannica School

Choose either **Middle or High School level** to start your search for curriculum-based content. Authoritative and visually engaging, Britannica goes beyond encyclopedia content alone, with downloadable videos, links to vetted websites, and citation generators.

Expanded Academic ASAP

Meets research needs across academic disciplines with scholarly articles and reports.

Gale Virtual Reference Library (GVRL) eBooks

Over 300 digitized reference works and encyclopedias, once available only at the library. These e-books cover all disciplines and offer a wide range of information that is scholarly and easy to retrieve. Limit your search to one discipline or a specific publication, or across all topics. Excellent research resource for high school and beyond.

General Reference Center Gold

Easy-to-use resource to locate articles, with emphasis on general magazines for the public, as well as newspapers, journals, and trade publications. Also draws from standard reference books, to round out wide range of topics. Can be limited to a specific publication. Includes full-text and coverage back to 1980s.

Michigan eLibrary MeL.org

Databases on all topics from Michigan's eLibrary. Visit www.mel.org

NORTHVILLE DISTRICT LIBRARY

212 W. Cady Street ▪ Northville, MI 48167 ▪ 248.349.3020 ▪ www.northvillelibrary.org

National Geographic Kids & National Geographic Virtual Library

Experience amazing adventures in science, nature, culture, archaeology and space through books, pictures, and magazines. Search National Geographic Kids magazine from 2009 – present, over 200 National Geographic full-text books, and 500 kid-friendly full-color downloadable images. The NGVL also contains the digitized archive of National Geographic Magazine from 1888 to present, as well as a wide range of full-text books published by National Geographic.

Opposing Viewpoints

Draws from a wide array of sources to cover all angles of social issues today. Access viewpoint articles, statistics, primary documents, authoritative reference works, and full-text magazine and newspaper articles.

Power Search

Gale Infotrac collections offer articles and books from many sources, and are specialized for specific student groups (such as Infotrac Junior for Middle School) or topics (such as Psychology collection).

Research in Context

Authoritative content for the most-studied middle school topics, written specifically for grades 6 through 8. Offers topic overviews, videos, audio, primary sources, and more in a visually appealing content that is mobile friendly.

World Book Online

A multi-media encyclopedia with many special features, based on the authoritative World Book. Includes a variety of research tools to help students writing reports. Includes sound and animation clips, primary sources, and links to editor-reviewed Websites.
