NEWS

FROM THE DIRECTOR

The Northville District Library (NDL) has two exciting announcements to share with you! NDL continues to pore over the survey data collected last year as part of its strategic plan. One of the most frequently requested items from our community was to remain open on Sundays during the summer. It has been the past practice of many local public libraries, including NDL, to close on Sundays during the summer. Given the many changes in our society, this practice is no longer as relevant as it once was and the NDL recognizes this fact. NDL will be closed Sunday, June 18 in observance of Father's Day but after that we will be open on Sundays from 1 - 5 PM throughout the summer months!

Speaking of summer in Michigan—a favorite activity in our Great Lakes state is fishing. It is estimated that over 1 million Michiganders purchased fishing licenses in 2022 and Michigan is known to have some of the best fishing spots in our country. Earlier this year, the NDL received a suggestion to add fishing poles to our collection from one of our community members, Hudson Boots.

In case you did not know, NDL has a small and growing "Library of Things" collection. This special collection contains items that are not traditionally associated with libraries. For example, the NDL's Library of Things collection currently contains 2 tabletop telescopes, numerous Wi-Fi hotspots, a variety of STEMkits for youth, and webcams.

At first, the Library was unsure there was ample space to store fishing poles. However, after conducting research with Hudson, we were able to locate fishing poles and tackle boxes that come in compact storage cases. NDL has since purchased fishing poles that are appropriately sized for adults and children respectively, and they are now available for check-out.

The NDL would like to recognize and thank Hudson Boots for suggesting we add the poles and for helping problem solve storage space by locating compact poles and tackle boxes that would be easy for the community to use and easy for the NDL to store.

This special addition to NDL's collection was purchased with funds that were donated to the Library in memory of long-time volunteer and avid fisherman, Mr. Will Bastien.

You asked and the NDL listened. Although the NDL cannot always implement every suggestion it receives from our community, the Library endeavors to fulfill requests whenever it is possible. This column spotlights just two of the recent suggestions the NDL has received to enhance its service. Sometime this summer, stop by NDL on a Sunday and check-out a fishing pole. We hope your fishing expedition is successful, and please keep sharing those great ideas with us!

Support NDL

Giving Tree, located near checkout desk

Investing in the Northville District Library is an investment in your community. Your gift ensures the accessibility of educational and entertaining books and media for generations to come. By donating to NDL, you make a lasting difference in numerous lives; children will enjoy new picture and chapter books that encourage growth of literacy skills; teens will benefit from several helpful resources for completing homework and studying for exams; and your neighbors will have the opportunity to use the available information and recreational materials to improve their quality of life, engage in continuing education to gain new skills, be a productive member of the community, and more!

There are many ways to support the NDL:

- Donate gently used books to the Friends of the Northville District Library
- Donate to the Library Endowment Fund*
- Give Directly to the Library*
- Donate to the Library Giving Tree*

Thank you for enhancing our library for the benefit of our community members. *For more information, please contact the Library Director, Laura Mancini, by phone: (248) 349-3020 ext. 206 or by email: lmancini@northvillelibrary.org.

FRIENDS of the NDL

Gail Norback and Linda Bastien at the Kid's Only Booksale

SUPPORTING THE LIBRARY

The Friends of the Library is a volunteer group dedicated to supporting the Northville District Library through various fundraising efforts, managing the Used Book Store operations, and advocacy of the Library.

Our largest contributions go toward supporting the Summer Reading and Battle of the Books Programs. We also contribute towards the "Library of Things," the Book Club kits, and other equipment. These investments make the Library a rich resource for our community.

Past Friends Outdoor Booksale

OUTDOOR USED BOOK SALE Saturday, July 29 from 10 AM - 2 PM

The community is invited to peruse and purchase from a large selection of gently used books, in the park behind the Library. Stock up to keep reading during your vacation time or travels this summer, or to provide some entertainment for your family.

SAVE THE DATE

The third annual Community Volunteer Fair will take place on September 30th from 11 AM - 1PM. Visit the Library's website for more information.

JOIN THE FRIENDS!

Dues are a major source of our funding. There are several levels of membership, and it's easy to join with forms available on the Library website or in the Friends' kiosk near the Youth Department. You can also support the Friends by shopping in the Book Cellar located on the lower level. There you will find gently used books, CDs, DVDs, and puzzles at bargain prices. Our donation bin is located on the front porch.

For more information or to arrange for a large drop-off, please send us an email at: northvillelibraryfriends@gmail.com.

You may also scan this QR code with your preferred device's camera app to open up PayPal and

donate directly to the Friends of the Library. The Friends and the Library thank you for your contributions!
