NDL invites you to Songs of the Season with City Lights Chorus this December

Northville, MI: City Lights Chorus, based in Northville, is the area's premiere, award-winning, all-male acapella ensemble and will be performing a free holiday concert on Monday, December 4th at 7 PM at the Northville Community Center located at 303 W. Main St. Northville. This program is generously sponsored by the Friends of the Northville District Library and registration is required to attend. Please visit the Northville District Library's website to register using this link: <https://nvillelib.org/NDLCityLightsChorusDec423>

The chorus is made up of men of a wide diversity of ages who come from all over SE Michigan and beyond to sing acapella music and specialize in the barbershop 4-part style. This current iteration of the chorus was formed in 2018 and has already garnered wonderful accolades. They are the 2019 Pioneer District (State of Michigan) Chorus Champions and have also competed against choruses from all over the world in the Barbershop Harmony Society International Chorus Contest where they placed 15th in 2022 and shot up to 9th in 2023.

Outside of competition, City Lights Chorus puts on various performances throughout the year to enhance their community of singers and the lives of those that they encounter in the metro Detroit area. More information, as well as the dates and times of upcoming performances, can be found on their website: citylightschorus.com. They are also active on Instagram, Facebook, and X (formerly Twitter) social media platforms.
